Packing and Shipping:

Candle Tin Can Packaging and Shipping

The Candle Tin Can should be packaged in a cardboard box that is large enough to fit the tin can and ensure that it does not move around during shipping. The box should be lined with polybag or tissue paper to provide extra protection for the tin can. The box should also be sealed with packing tape to ensure that it stays closed during shipping. The Candle Tin Can should be shipped via a reliable carrier that offers tracking services.
