Our products are certified by ISO, SMETA, DISNEY, O'REAL and FDA. We offer a minimum order quantity of 5000 pieces, with delivery time of 20-25 days. Payment terms are available for T/T and L/C. We have a daily production capacity of 10,000 pieces. The size, printing and shape can be customized according to customer's requirement. Our products are made of tinplate and eco-friendly.

Support and Services:

Custom Tin Can offers technical support and services for the following:

Design and development of custom tin cans

Assistance in selecting the best tin can material for the application

Custom tin can manufacturing and production

Consultation on tin can packaging design and labeling

Product testing and certification

Packing and Shipping:

Packaging and Shipping

Custom Tin Can is packaged using a cardboard box with a foam insert to provide extra cushioning. The tin can itself is wrapped in bubble wrap and secured with tape. To ensure the product arrives in perfect condition, the box is further secured with a plastic wrap. The package is then shipped to the customer via a reputable courier.
