Applications:

Huaiyang's Round Tin Containers are the perfect choice for any product that needs to be stored and preserved in a safe and secure way. The containers have a cylindrical shape and a lid which can be sealed to keep contents safe and fresh. The containers are made from eco-friendly tin material and come in various sizes, making them ideal for storing a variety of items. The containers can be custom printed with your brand name, logo or any other desired design. They are ideal for storing food, cosmetics, jewelry, stationery, and other small items. They also make a great promotional item, as they can be used as giveaways or samples for customers. Huaiyang's Round Tin Containers are certified by ISO, SMETA, DISNEY, L'OREAL, and FDA, and have a minimum order quantity of 5000 pieces. They have a fast delivery time of 20-25 days and payment terms are T/T, L/C. The company offers an OEM/ODM service and has a daily production capacity of 10,000 - 12,000 pieces. These Round Tin Containers with lids are perfect for people who value convenience and quality, and are the ideal choice for storing various items securely and efficiently.

We are committed to ensuring that all our customers have the best user experience with our product. Our experienced staff are available to assist with any technical queries you may have and provide helpful advice on how to get the most out of our product.

We are dedicated to providing quality customer service and technical support. If you have any questions, please feel free to contact us.

Packing and Shipping:

Packaging and Shipping for Round Cannabis Tin Containers

Round tin containers should be packaged in cardboard boxes and with cardboard dividers inside to provide additional protection during shipment. The boxes should be sealed with packing tape and labeled with a "Fragile" sticker.

It is important to choose the right shipping carrier and method for round tin containers. Using a carrier that specializes in shipping fragile items is recommended, and shipping services such as air freight and express delivery can help ensure that your products arrive safely and on time.
