Product Description

Rectangular Child Resistant Slide Tin Container as Eco-friendly Disposable Metal Packaging

Product Description:

Our CR Sliding Tins are sustainable and reusable. This tin is stylish, as well as secure. The slide tab closure allows the top to slide and secure into tabs on either side of the tin. This, along with the tin's sturdy construction, makes it highly reusable.

It comes in several pieces per carton, with a minimum order quantity of 5000 pieces. It's available in customized sizes, and offers glossy/matt varnish as a surface treatment for superior protection and attractive appearance.
