Packing and Shipping:

Packaging and Shipping of Square Tin Box:

Square tin boxes should be packed securely to ensure they reach the customer in perfect condition.

Each tin needs to be wrapped in a plastic bag, and then several tins should be packed together in a double-walled outer carton. The outer carton should display shipping marks.

To ship the tins, we will opt for either sea or air freight, and we will select competent freight agents to guarantee the safe and reliable delivery of the goods.
