### Product Description

We are a direct metal tin box manufacturer — not a trading company!

Our custom tin boxes are designed for brands seeking durable, attractive, and versatile metal packaging solutions. Crafted from high-quality tinplate, these versatile tin boxes are widely used for gourmet foods, premium gifts, retail products, collectibles, and promotional packaging.

As an experienced tin box manufacturer, we provide comprehensive OEM & ODM services, supporting custom dimensions, structures, printing techniques, and surface finishes to ensure your product stands out on any display.

### Highlight:

All of our tin boxes are custom-made based on client requirements, so the tin you see may not necessarily fit your needs. With over **1,000** product options and a wide range of dimensions available, we encourage you to contact us directly. Please share the specific dimensions you require or the size of the item to be packaged, and we will recommend the most suitable tin box for you.
